

**Stainless Steel Menu Cases**

Maximise the pulling power of your menu or promote your functions and facilities to excellent effect. A traditional high quality external menu case from Silvercases is the ultimate way to display information outside your premises. Complete with lights as standard. Also available without if required. Front frame mounted on rigid stainless steel backtray and fully sealed for weather proofing, twin locks for security & with toughened security glass fronts. Full length piano hinge for strength and door stay provided for safety. Choose from polished brass and brushed or bright polished stainless steel. Simply choose the correct size/format and felt colour to best suit your application. Heading signs (backlit if required) can be incorporated to highlight your venue name.
